

## Raise Money for Kings School Without Spending a Dime!

When you purchase gift cards through ShopWithScrip, Kings School is paid a commission. Of course you can use the gift cards as gifts, but ***many people use the gift cards to make their normal household purchases during the month such as at Walmart or the gas station.*** This allows Kings School to receive money for something that the family is already doing without costing the family anything.

**If you are already going to shop at Walmart (or other participating retailers), please consider buying a gift card for Scrip to cover your purchase and support Kings School.**

**Scrip Order Schedule (orders and payment must be submitted by 9 AM)**
